ORTHOPTIC SOCIETY

Hololens2 Hardware Disclaimer

The following disclaimer describes the expectations held by BIOS with regard to the appropriate usage and storage of the Hololens2 headset, which is on loan to your department to enable you to participate in the Clinical Placement Expansion Project (CPEP).

Please sign this document and return to the CPEP team: clinicaleducation@orthoptics.org.uk

Trust:

Clinician responsible for Hololens2:

Name:

Email contact:

- I understand that, although the Hololens2 has been loaned to the above Trust, it remains the property of the British and Irish Orthoptic Society.
- The Hololens2 device should not be used for any other purpose outside of the Clinical Placement Expansion Project. It should not be used by staff outside of the Orthoptic department.
- I agree to contact BIOS immediately in the event that the Hololens2 is accidentally damaged, lost or stolen.
- Should any software issues arise I understand it is expected these are resolved by local IT services.
- I confirm that the Hololens2 will be stored securely behind two differently keyed locks when not in use.
- I understand that the frequency of my contributions to the project will be monitored. If the Hololens2 is not used for a period of three months, BIOS will ask for the device to be returned. Extensions to this period may be granted in exceptional circumstances.
- I understand that if we (the Trust) decide to discontinue use of the Hololens2 for any reason we (the Trust) will be responsible for the costs of delivering the device back to BIOS.

Signed (on behalf of the Trust receiving the Hololens2 device)
