

# BIOS Patching Party

## Filming and photography consent form

With consent, filming and photography at the patching party help celebrate our children's resilience, highlight our community, and raise awareness about amblyopia and the role of Orthoptists

To be completed by individual(s) (parents/guardians if the person is less than 18 years of age) before photography or filming takes place.

### Person(s) in photograph and/or footage

I hereby grant The British and Irish Orthoptic Society the right to use the photograph(s) and/or footage taken, and any reproductions or adaptations of the photograph(s) and/or footage for all general purposes including, without limitation, promotional films, online and in any publicity materials, books, newspapers, magazine articles and social marketing whenever The British and Irish Orthoptic Society chooses to do so.

For information on how we use your data, please see back of form.

The British and Irish Orthoptics Society (BIOS) is committed to collecting information about people only when we need to, and to being honest and open about what information we collect, how we use it and who we might share it with. The personal data collected on this form will be held securely and will only be used for administrative purposes.

### **Your rights**

You have the right to request to see a copy of the information we hold about you and to request corrections or deletions of the information that is no longer required. You can ask the British and Irish Orthoptic Society to stop using your images at any time, in which case it will not be used in future publications but may continue to appear in publications already in circulation.

You can read our full privacy policy here: <https://www.orthoptics.org.uk/privacy-policy/>

### **Contact details**

If you have any questions relating to this consent form or the way we are planning to use your information, please contact:
